Celebrate the sanctity of life with us as we explore the implications of being Made in God's Image and how this truth is alive for families, medical professionals, parish leaders, youth and young adults. It is our task, as people of faith, to always defend the lives of the vulnerable.

We will unite our prayers, meet people within the pro-life community, learn more about pro-life initiatives and activities, and become rejuvenated in our ministries.

Here is a little of what you can expect:
